

Spectator Bingo – Naked Handyman Edition

B	I	N	G	O
He makes a joke with a double meaning	He stretches overhead and you see everything sway	He stands still and lets everyone stare at his cock	He bends over slowly... and stays there a little too long	You witness a spanking, stroking, or kiss on the thigh
He uses both hands for something impressive	He adjusts his cock ring	You lose your train of thought watching him climb a ladder	Someone asks to touch... and he says yes	He gets visibly hard — and doesn't hide it
He makes eye contact while using something long or hard	You catch yourself staring at his ass... again	FREE SQUARE Because you've been such a good voyeur 😊	He says, 'Wanna help me finish this?'	He gets lube... but not for the hinges
Someone nervously sips their drink	He cums... on a tool, on himself, or on a guest	Someone kneels in front of him	Something unexpected happens — and no one complains	He oils up a body part before working
You made eye contact while he was fully nude	He says, 'Don't be shy — I like an audience'	Someone gasps when he turns around naked	You hear a guest whisper, 'Damn' under their breath	The toolbelt hits the floor dramatically
